

Runxin Yu

Research Interests: Climate Change Policy Design and Evaluation; Sustainable Development of the Digital Economy; Low-Carbon Energy Transition

Address: Room 425, Institute of Urban Environment, Chinese Academy of Sciences, Xiamen, Fujian, China

Email: runxinyu@outlook.com

Work Experience

Institute of Urban Environment, Chinese Academy of Sciences <i>Assistant Researcher</i>	11/2025 - Present
---	-------------------

Education

Ph.D. in Management Science and Engineering, Tsinghua University Supervisor: Prof. Xiliang Zhang	08/2020 - 10/2025
Visiting Scholar, University of California, Berkeley California-China Climate Institute; Supervisors: Fan Dai, Daniel Farber	12/2024 - 06/2025
Bachelor of Management, Sun Yat-sen University	08/2016 - 06/2020

Professional Practice

Ministry of Finance of the People’s Republic of China

02/2024 - 04/2024

- Member of the special research team of the Department of Natural Resources and Ecological Environment on “Accelerating the Establishment of a Fiscal and Taxation System Adapted to the ‘Dual Carbon’ Goals”

Ministry of Ecology and Environment of the People’s Republic of China

06/2024 - 06/2025

- Assisted the Department of Climate Change in conducting research on key issues in the construction of China’s national carbon market, including allowance auction mechanisms and sector expansion
- Core member of the special working group on central documents related to carbon market construction; participated in drafting the “Opinions of the General Office of the CPC Central Committee and the General Office of the State Council on Promoting Green and Low-Carbon Transition and Strengthening the Construction of the National Carbon Market”

Conferences

- The 7th Workshop on Resource Security and Economic Sciences, Xiamen University, May 23-24, 2026.
- The 25th Annual IEA-IETA-EPRI Workshop on Greenhouse Gas Emissions Trading, Paris, France, December 2-4, 2025.
- The 6th Workshop on Resource Security and Economic Sciences, Xiamen University, May 20-21, 2025.
- The Fifth Iteration of the Workshop in Environmental Economics and Data Science (TWEEDS), Portland, Oregon, April 25-26, 2025.
- The 29th Annual Conference of the European Association of Environmental and Resource Economists (EAERE), Leuven, Belgium, July 1-4, 2024.
- Professional Association for China’s Environment (PACE) Annual Conference 2023: China’s Environment & Development under Carbon Neutrality & De-globalization, Hong Kong, August 18-20, 2023.

Professional Services

- **Referee** for *Climate Policy*, *China Economic Review*, *Energy Economics*, *Climatic Change*, *Nature Humanities and Social Sciences Communications*.
- **Discussant** for EAERE.

University Services

Teaching Assistant

- Graduate Teaching Assistant, “Energy Economics and Policy”, Tsinghua University, Winter 2021
- Undergraduate Teaching Assistant, “Management Accounting” and “Accounting Information Systems”, Sun Yat-sen University, Summer 2019

Student Service

- Class Leader, Institute of Nuclear and New Energy Technology, Tsinghua University, 2022-2023
- Officer, Graduate Students' Association, organized activities such as the Global University Climate Forum and the Doctoral Students' Forum, Tsinghua University, 2020-2021

Fellowships and Awards

- Outstanding Student First-class Scholarship, Tsinghua University, 2021-2022 & 2022-2023
- Outstanding Student First-class Scholarship, Sun Yat-sen University, 2019-2020
- Outstanding Student Leader Award, Sun Yat-sen University, 2016-2017
